

Compa\$\$ Cashless Bridge

How does it work?

- Compa\$\$ is the cashless system that will operate at Te Puke Bridge Club from **7 April 2025**
- To use Compa\$\$ you need to deposit funds into the Te Puke Bridge Club bank account (the same account where you pay your yearly subscription)
 - o **Deposit Information:** When you need to top up your Compa\$\$ account please pay to the club's Westpac bank account **03 0474 0471680 00**, preferably by Internet Banking or by using an automatic teller at a bank, referencing your **NZ Bridge Number** and **Name** with the narration **Top-Up**
- When you play at a normal session your account will automatically be debited \$5.00 (table money). If you do not have any money in your account and you were to play at a session, your account balance would become -\$5.00. However, we expect members to keep their accounts in credit

Keeping track of your balance:

- Set up a Compa\$\$ account at www.mycompasss.com (note the three 's') This allows you to keep track of your balance
- You can also access mycompasss.com from the home page on the Te Puke Bridge Club website
- It is very simple to create an account and takes less than a minute:
 - o Go to www.mycompasss.com
 - o Click on 'Not Registered? Sign Up Here'
 - o Use your email as your 'user name' and pick a password of at least 6 characters. Repeat password
 - o Leave 'Hide my detailed NG data' unticked
 - o Click 'I'm not a robot'
 - o Click 'Signup'
 - o From here you can click 'Check your Wallet' to see your balance

Points to note:

- If you still have vouchers that won't be used before 7 April please contact Chris Taylor who will exchange unused vouchers for Compa\$\$ credit or cash. Unused vouchers can also be used to purchase drinks at the bar
- Balances displayed on your Compa\$\$ account are updated weekly on a Sunday. For example, if you deposit money on a Tuesday, whilst it will be credited straight away to the Te Puke Bridge Club bank account, your latest balance won't show in your Compa\$\$ wallet until Sunday, once the weekly reconciliation has taken place
- All members who already have Compa\$\$ accounts set-up do not need to do anything to continue playing
- If you have any concerns or questions, or would like any help setting up an account please contact: Cynthia Judge or Chris Taylor
